

MIRCHAM[®]
— SPICES —

Mircham Spices believe in the philosophy of quality. Our spices are well cleaned, processed and packed in our own manufacturing unit under the best quality controlled supervision.

Red Chilli or Lal mirch powder, not only adds zest to the taste of food but also offers many health benefits as it is rich in vitamins and minerals. It is believed to relieve inflammation and pain, enhance immunity and promote cardio-vascular health. This Lal Mirch powder is iron ground to ensure that its natural flavor and nutrients remain intact.

Ingredients : 97% natural red chilli powder & 3% edible oil.
